

## **Winter Flower Sales**

As the troop transitioned from fall into winter, scouts sold flowers for their reserves. \$1022.19 was made from presales, in which 12 scouts participated. \$496.44 was made from sales after masses, in which 16 scouts participated. The grand total was \$1518.63. Great job, everyone! A special thanks goes out to Mrs. Stauffer for organizing everything. Success!
