

Boy Scouts of America Troop 280

April Flower Sales

This spring's flower sales were held on the weekend of Palm Sunday, April 4th to 5th. Eight scouts sold one hundred thirty-two flowers in the presales, and these profits went towards scout reserves. During the five weekend masses, sixteen scouts sold the remaining two hundred twenty-eight flowers, bringing the total number of flowers sold to three hundred sixty. The church sales' profits went to troop costs for summer camp. Eight hundred ninety-five dollars was the final profit! Good job scouts, and thank you to Mrs. Stauffer for all of your hard work in organizing this! Both church sale days had beautiful weather, though there was a chill from the remains of winter. All scouts and adults enjoyed themselves, and the beautiful plants sold continuously throughout the weekend.
