

40 Hours Devotion

On Tuesday, the troop and cub scout pack of 280 participated in Saint Bede's 40 Hours Devotion Closing Ceremony. I went as the only Boy Scout with six cub scouts and one adult from their pack. We all lined up for the procession in the cafeteria at 7:15. Fifteen minutes later, we went into the church for the service. The alter was beautifully adorned with autumn colors, and the pews were filled. Around quarter after eight, everyone processed to the back of the church where Monsignor

thanked everyone. Finally, the parish dispersed for refreshments and a raffle in the cafeteria. The night was relatively warm and everyone was reverent and respectful.
