May Court of Honor

This Thursday, our troop had a Court of Honor during our troop meeting. We began around 7:20 when all scouts, parents and refreshments were arrived and set. Taking only approximately forty minutes, the ceremony's MC (Master of Ceremony) was Craig "Craiggles" Fox. This completed a Communications requirement for him, and I would say he did a fine job at hosting a fine event. Great job, Craiggles! Here are the listings: (provided by Mrs. Chalupa and Craiggles)

Eagle: Van Holthenrichs

Congratulations to Van for obtaining his Eagle! This is, of course, an immense honor and proof of the long road you have worked down. You have been a great leader and friend to all in the troop, so it is exciting to see you achieve this high rank! Great job!

For only two months of work, this is great progress for the troop! Congrats to all who have advanced and gained merit Badges! Good work everyone!
