Hello Again!

This is my second year being the Historian for Troop 280. I have made a few improvements to the scrapbook including: the report layout and adding interviews, a closing letter, a table of contents, and title pages. There are even still a few tricks up my sleeve for next year.

And so, I present to you my sophomore scrapbook. Enjoy!

Thank You!

Thank you for glimpsing through this very special book! Writing and taking pictures this past year has been a long and adventurous journey, in at least some aspects, and I am so grateful to be with a group of people who appreciate my work.

I'll see you again next year!
