

Boy Scouts of America Troop 280

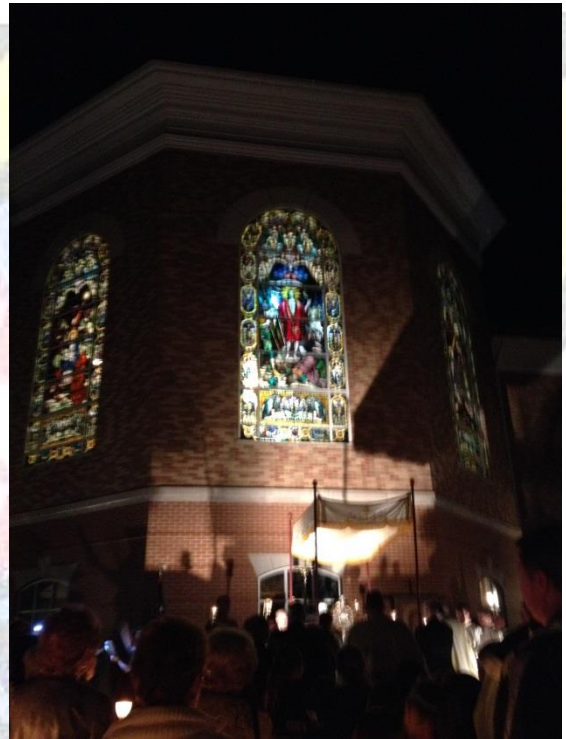

October 40 Hours Devotion

On October 7th, the troop participated in Saint Bede's 40 Hours Devotion Closing Ceremony. The attendance was extremely low for the only ones there were Dan, Jack Swift, Mrs. Swift, and I. We met around 7:00 in the cafeteria with the Cub Scouts. At 7:30 we processed into the church for a beautiful celebration that lasted until 8:10. From there, everyone lit candles and processed outside around the property to the chapel, where the ceremony ended. This was around 8:45, when all dispersed to leave or have refreshments in the cafeteria. The event was a peaceful gathering of parish members, sports teams, and organizations.
