

Tom Garback's Eagle Project

Well, my eagle project occurred over this past February. Thank you to everyone who helped! I'm so happy that all of it turned out well and was a success.

The project was a food and hygiene product drive for the Trenton Area Soup Kitchen (TASK).

The Advance put out a press release for the project at the start of February. Announcements were also in The Uptight

Suburbanite, the Northampton Herald, and the Saint Bede Parish Bulletin.

Collection bins were placed for the whole month at the Northampton Library, the Southampton Library, and Knobs and Knockers. Jake, Craig, and Collin were the managers for them. All

of these locations announced the project as well.

I received donations from the Welch food company and the Colgate-Palmolive company in the form of free-item coupons. This was very generous.

Scouts and adults manned grocery store stations for the second and fourth weekends of February. The 13th and 14th's collections were from 8-11 a.m. at Shop N Bag Richboro, Acme of Richboro, and Acme of Newtown. The 27th and 28th's

collections were from 2-5 p.m. with an additional station at McCaffrey's Newtown. Station Captains went through brief training prior to running these stands.

In the end, we received over 3,000 pounds of donations. From monetary donations alone, we received \$1,300 for TASK. The total value of the project came to nearly \$9,000!

I, a few scouts, and my family made the delivery on Monday, the 7th of March.

Thanks again, everyone! I'm so proud of the work we have done, and I hope you've managed to gain something positive from this experience, as I know I certainly have.
