

Boy Scouts of America

Troop 280

Pack 280 Crossover

Last Wednesday, the 27th, the troop joined the cub scouts at their Pack 280 Crossover for 2015! Nine scouts and five adults arrived at quarter of seven in the evening to help Mr. Cawley, the cubmaster, and other leaders in the pack to set up. After twenty minutes, the ceremony began. Awards were given out. There was a slideshow presentation of the year that everyone enjoyed. All of the cub scouts advanced into their next den (Tiger, Wolf, Bear, and Webelos 1 and 2) for the year to come. Finally, two Webelos scouts took part in the Arrow of Light Bridging Ceremony in order to become Boy Scouts. Jimmy Kopack and Matthew Senior succeeded in crossing over! Congratulations to our new scouts! The ceremony closed at eight o'clock, and scouts cleaned up before leaving. Great job to all of the advanced cub scouts, and good luck for another year! Welcome to our new scouts; your next journey begins!
